

One way to illustrate the success of these programs is to take a look at the economic benefit of today's outdoor economy. According to an Outdoor Industry Association economic study in 2012, outdoor recreation generates \$646 billion in consumer spending and 6.1 million direct jobs each year. In Tennessee, outdoor recreation generates \$8.2 billion annually in consumer spending and supports 83,000 direct jobs across the State.

Our work is not done. Theodore Roosevelt once said that nothing short of defending this country in wartime "compares in importance with the great central task of leaving this land even a better land for our descendants than it is for us. . . ."

On the 30th anniversary of the Americans Outdoors Commission report, I look forward to continuing to work to protect and preserve the great American outdoors and leave future generations a more beautiful nation.

TRIBUTE TO BOB MILLS

Mr. PORTMAN. Mr. President, today I wish to recognize Bob Mills as the 67th recipient of the Dayton Region's 2017 Citizen Legion of Honor Award from the President's Club. As founder of Synergy Building Systems and Mills Development, Bob Mills' leadership and vision for quality development in and around the I-75 and I-675 corridors has made a tremendous impact on the economic vitality of the region.

More than a dozen corporate and not-for-profit boards have benefited from Bob Mills' leadership over the years, including Greene Memorial Hospital, the Air Force Museum, Wright State University Foundation, and the Dayton Development Coalition. He has been recognized for his generosity by the Dayton Regional STEM School, Beavercreek Chamber of Commerce, the American Cancer Society, the Leukemia Lymphoma Society, and as the recipient of the Mathile Community Award.

Maybe most impressive, Bob Mills and his family created the Gala of Hope Foundation and have raised more than \$6 million to fight cancer and improve cancer care in the Dayton region by providing grants and funding for patient care, families, caregivers, and research.

Additionally, he and his family have worked tirelessly to support Dayton Children's new patient tower which supports local children's needs for important healthcare services.

I would like to honor and congratulate Bob Mills for his many contributions to his community and our State.

TRIBUTE TO PATRICE GORDON

Mr. VAN HOLLEN. Mr. President, today I wish to recognize Patrice Gordon in honor of her retirement this week after 29 years of exceptional service to the Congress at the Congressional Budget Office. She began her

congressional career in CBO's Natural Resources and Commerce Division in 1988 after receiving her Ph.D. in economics from the University of Maryland.

Since that time, Patrice has been recognized as one of CBO's best when it comes to focusing on details, ensuring analyses are thorough and correct, and questioning any gaps in reasoning. She is a critical thinker with an encyclopedic mind for details. Throughout her career, she has balanced her keen analytic approach with humility and kindness, becoming a mentor to many young analysts and helping them hone their quantitative skills. She is a valued colleague to everyone who has worked closely with her.

In the mid-1990s, Patrice and a few other colleagues at CBO took on the task of implementing requirements of the Unfunded Mandates Reform Act, and soon she would end up supervising all of CBO's work on private-sector mandates. Throughout her tenure, she helped distill the principles that guide CBO's analyses of Federal mandates, ensuring that the agency's work was consistent with the provisions of UMRA. During that time, she also reviewed virtually every bill reported by a congressional committee, including bills that regulate the transportation of snakes on airplanes to healthcare reform and bankruptcy regulation. Patrice has probably read more than 10,000 bills during her time at the Congressional Budget Office.

In short, over the past 29 years, the Congressional Budget Office and Congress have been fortunate to enjoy the dedication and insight that Patrice has brought to her work. I understand she is looking forward to playing more competitive bridge and perhaps even tuning up a clarinet and saxophone to jazz up her time away from cost estimates and mandate analyses. I know my Senate colleagues join me in extending our appreciation to Patrice for her service to our Nation and our very best wishes for a happy and productive retirement.

TRIBUTE TO DAVID AHART AND CATHY GLENN

Mr. GRASSLEY. Mr. President, today, I wish to congratulate and thank Mr. David Ahart and Ms. Cathy Glenn on their retirement for their more than 28 years of service to the U.S. Senate.

I have worked with Dave and Cathy in various roles within the U.S. Senate Recording Studio for nearly three decades.

Before working in the radio division, Dave worked on the television side of the Senate Recording studio.

Cathy also worked on the television side before coming to radio. Before that, she worked for Senator Dennis DeConcini of Arizona.

It is not unusual for me to go to the Senate recording studio multiple times a week. If you do the math, you can see

I have gotten to know Dave and Cathy very well over the years.

I have always said that representative government is a two-way street, and communicating with Iowans through the media has always been an important part of my job. Dave and Cathy are an instrumental part of that process. Put simply, they have helped me keep in touch with Iowans, and for that, I couldn't be more grateful.

It's also worth noting that Dave and Cathy are immensely kind and patient. Many days, my schedule can change in an instant. Dave and Cathy are always generous with their time and help me and my staff complete the work that needs to be done.

Those who know Dave and Cathy know you never leave their studio without a smile and laughter. They are as friendly now as they were 30 years ago.

Dave, I hope you get back to Denison soon and stop at Cronks.

Dave had family who lived in Denison, IA. Cronks is a mutually favorite restaurant that I always try to stop at when traveling through the area.

Cathy, as you celebrate, make sure to eat an extra piece of chocolate for me. I think you have as big of a sweet tooth as I do.

I wish Dave and Cathy all the best in retirement and the years to come.

So to you two, I say thank you for all you have done. The U.S. Senate, the Senate Recording Studio, my staff and I will be forever grateful for your service.

RECOGNIZING BAKER FURNITURE

• Mr. DAINES. Mr. President, this week, I have the distinct honor of recognizing a multigeneration cornerstone of the community in Fallon County. Baker Furniture has served the people of eastern Montana for over eight decades. Through the years, the team at Baker Furniture has skillfully navigated changes in consumer tastes and a shifting business climate in order to provide quality furniture and appliances for the folks in Baker.

Baker Furniture initially began operations on Main Street in 1936, by the original proprietor, Leif Holmlund. Leif's understudy in the furniture industry, Army veteran Orville Stevens, would eventually take the reins of the enterprise in the 1960s. Under Orville's guidance, the business flourished. Orville's sons, Tom and Dave, also pitched in to help make the business a success.

Tom and Dave went on to assume the primary duties for the business in the late 1990s. After a life that included service to his Nation, raising a family, and operating a successful business, Orville passed away in 2009. Since his passing, the business that Orville developed has continued to thrive and meet the needs of the community.
